

Parking Information and Reminders

Reminder:

- This youth tournament is a **DRUG and ALCOHOL FREE** event.
- Smoking is not permitted on the fields.
- **NO FOOD OR DRINKS on the artificial turf field** (water only. All other things destroy the field and is very costly to repair)
- No animals at the field.
- Please remind your team, friends and family to clean up after themselves to keep the tournament grounds clean and comfortable for everyone

Parking Reminder:

Due to extensive damage to yards, gardens etc **we will not be able to permit parking at the fields.** Parking at the fields will be limited to Elders and Handicap only and these spaces will be limited. You can park at **6735 Salish Drive** (V6N 4C4) and we will have a shuttle running continuously from 7:30 am – end of games each day. There will be a sign for drop off and pick up area at designated parking area. **Thank you** for helping us to maintain a respectful relationship with our neighbors.

Also please note that due to sewer upgrades much of S.W Marine Drive is closed to traffic. Traffic police are at the road every day blocking traffic. The best way to access the reserve is from Dunbar and 41st Ave. Come down Dunbar Avenue, turn right on 51st, turn left on Salish and you will see the parking area about a block up (at our Band Office)
